Veterinary Health Center Portal Instructions for Clients

REGISTER FOR AN ACCOUNT

To Register for a new portal account, visit
https://vetview.cvm.missouri.edu/and click on the gray Register
button. **This process only needs to be completed one time.**

Fill in your **first and last name, email address, and phone
number**. Then create a **username and password** for your account.
The username and password cannot be the same. **Under the
Veterinary Health Center section**, check the box next to **Request
Access**. At the bottom of this section please provide **your pet's
medical record number** if you have it available. If you do not have your pet's medical record number,
you can enter a pet(s) name to assist with account verification.

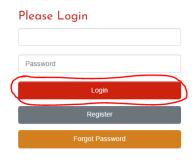

NOTE: Business name, RDVM License Number and anything in the "MU Vet Med Diag Laboratory" section is not applicable to VHC client access.

1

For support or questions please contact MU VHC Medical Records, 573-882-7821.

Once your request is submitted you will receive an email from MU CVM VetView Support certifying that we have received your portal request. Once the information has been verified you will receive a second email stating that your Portal is ready to access. **It may take 1-2 business days for your request to be completed.**

USING THE CLIENT PORTAL

To access the portal, visit https://vetview.cvm.missouri.edu and enter the username and password you created during registration, then click on the red **Login** button.

Under the Veterinary Health Center section on the main screen, you will see each patient owned by you listed by visit dates, starting with the most recent date. If you click on the patient's name it will take you to the patient record providing you information on individual hospital visits, upcoming appointments, reminders, prescriptions, vaccines, lab and radiology results. You may need to press the **MORE** button to view other pets and visit dates.
